

Initial Mgt Of Abn Cervical Cytology Clinical Guideline

Initial Management of Abnormal Cervical Cytology and HPV Testing Guideline

These clinical guidelines are designed to assist clinicians by providing an analytical framework for the evaluation and treatment of patients. They are not intended to replace a clinician’s judgment or to establish a protocol for all patients with a particular condition. A guideline will rarely establish the only approach to a problem.

GUIDELINE HISTORY and APPROVAL

Action	SEED GUIDELINE and/or MAIN INFORMATION & SOURCE(S)	DATE	ORGANIZATION
Original Guideline Adopted, Reviewed, And Approved	<ol style="list-style-type: none"> 1.
